

The background is a dark grey chalkboard with various white chalk sketches. On the left, there is a large drawing of a microscope. Above it is a globe showing continents. Below the microscope is a stack of books. In the bottom center, there is an open book with some illegible text. To the right of the open book are several mathematical symbols: a percentage sign, an exclamation point, and a less-than sign. The overall theme is academic and scientific.

# Resources for Graduate Students at the U of Utah

# Academic & Research Resources
